WE WANT TO GET THE BEST OF THE METRO

Why change the Metro?

- TOO **OLD FASHIONED** FOR THE 21ST CENTURY

- **TIME WASTING** SERVICES

- REQUIRES A LOT OF **BUREAUCRACY**

Specific issues to be tackled

- LACK OF INFORMATION ABOUT METRO ARRIVAL AND TRAVEL TIMES OFTEN CAUSES LONG WAIT TIMES, LATENESS

- INCONEVIENT AND TIME WASTING TO NEED A PHYSICAL CARD TO ENTER AND EXIT THE STATION

- NON PRACTICAL AND EXTREMELY TIME WASTING TO NEED TO RENEW THE PASS AT SPECIFIC SPOTS AND IN THE SAME SCHEDULE AS EVERYONE ELSE, CAUSING MASSIVE LINES
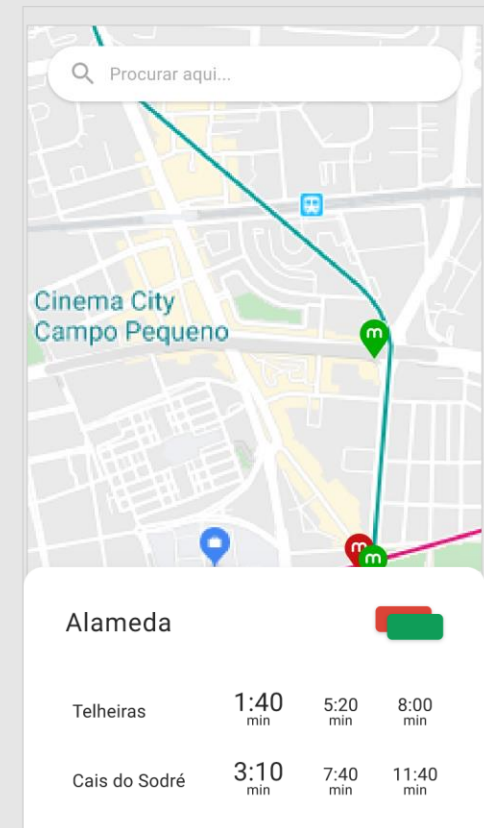

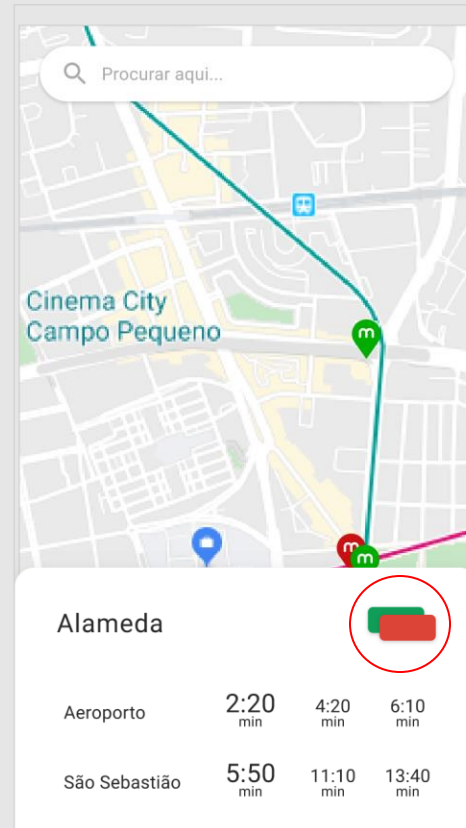

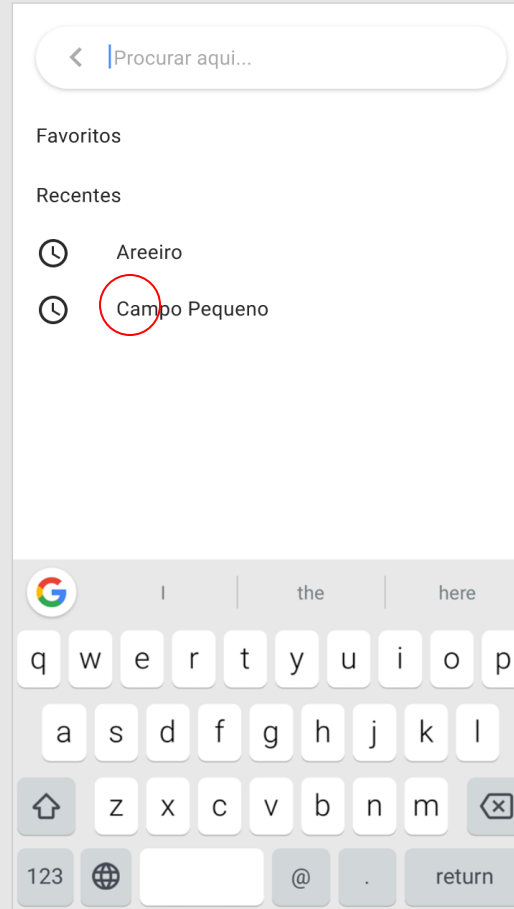

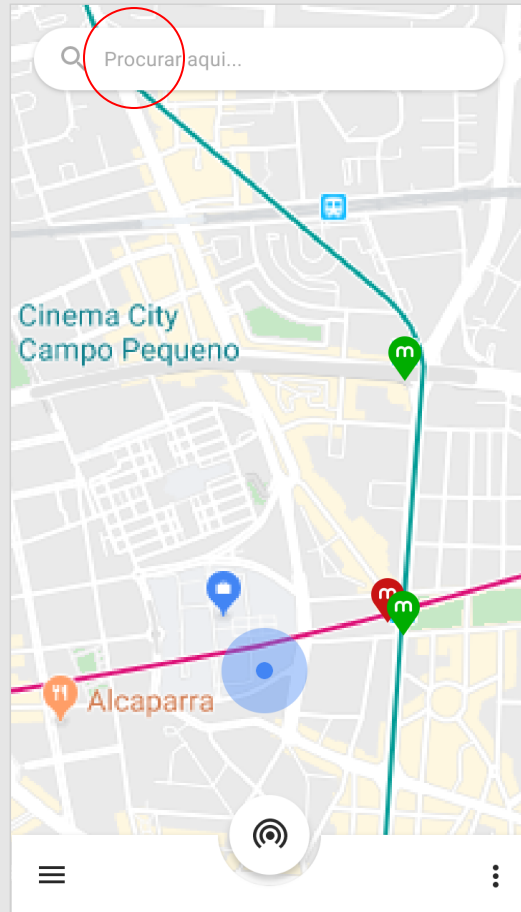

Our solution

- A RESTRUCTURED SET OF FUNCTIONALITIES OF WHAT THE METRO HAS TO OFFER

  - **ARRIVAL TIME**

  - **TRAVEL TIME**

  - **PASS VALIDATION**

  - **ACCOUNT MANAGEMENT**

- SEEMINGLY INTEGRATES INTO PEOPLE'S ROUTINES

  - **SIMPLE, MINIMALISTIC INTERFACE**

- ALLOWS THE USERS TO BE GAIN AND BE IN CONTROL OF THEIR OWN TIME
  – **EASY TO ACCESS AND USE MOBILE APPLICATION**
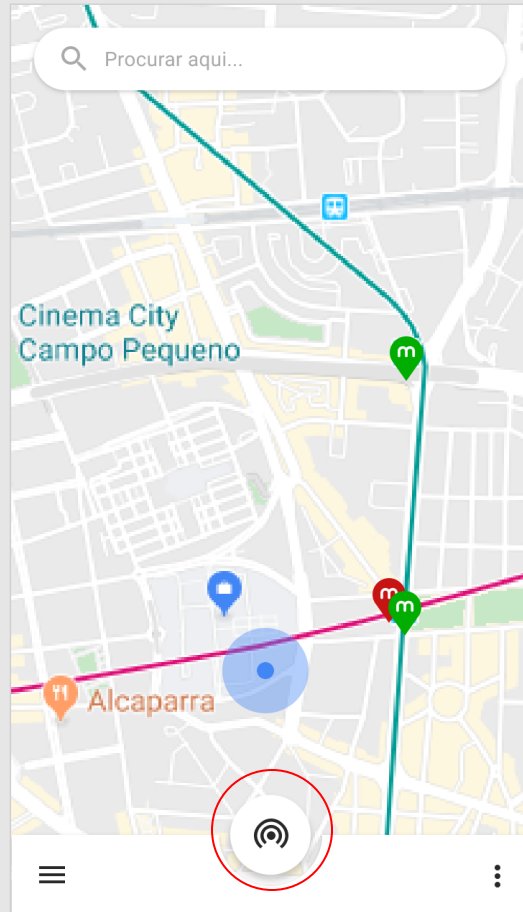

Metro arrival time
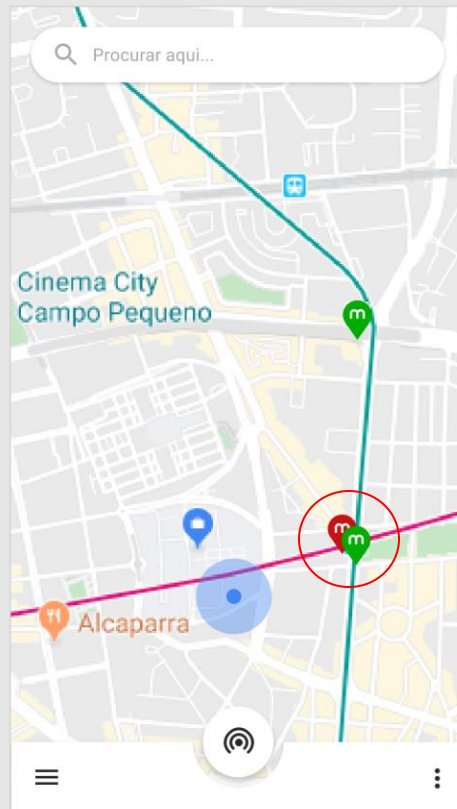

Time while travelling until the destination
